The Baker's Friend Since 1963

Walker Humphrey has over 50 years' experience in the craft bakery sector as an independent, family run business. We service large and small UK businesses with our wide range of ambient, chilled and frozen products

Our Promise

RELATIONSHIP

Working with you. We pride ourselves on helping each one of our customers create a successful business. Working with everyone from the smallest craft baker to the largest plant bakeries, we aim to do more than just supply products to our customers.

ADVICE

Technical support. Liaising closely with key suppliers means we can help with a lot more than just ingredients. We can provide the technical expertise to help you with new ideas and advise on any problems big or small.

ENVIRONMENT

Looking after our planet. From the solar panels and LED lighting in our warehouses, to the electric car charging ports in our car park and our commitment to reducing landfill, Walker Humphrey are passionate about reducing our carbon footprint and making a greener tomorrow.

RANGE

Everything you need. We offer a wide range of Ambient, Chilled and Frozen Products, along with a large variety of packaging and aim not to discontinue products that we know our customers want and need. We are also committed to introducing new products and our purchasing department will utilise their market knowledge and experience to source the products you require or recommend appropriate alternatives.

DELIVERY

For your convenience. Our customer service team will ring you on a weekly basis to assist with your ordering. The free weekly delivery service gets the products to your door at a time that suits you and our friendly drivers will unload your order carefully from our temperature-controlled vehicles, ready for use.

WORKING TOGETHER

Keeping you well informed. Customers have an allocated account manager, who knows you and understands your business. Account managers will visit you to suit your needs, keeping you informed of market changes and special offers, making sure Walker Humphrey are working in a way that works for you.

HIGH STANDARDS

Giving you piece of mind. We are committed to providing the highest quality standards to all our customers and are committed to upholding the BRC Global Standard Accreditation in storage and distribution. We also understand how important good quality ingredients are. We know that consistency is important and work closely with only the most reputable of suppliers to ensure quality and consistency are at their highest.
